SW Coordinator Beverly Anderson Part-time

ANTI-DUMPING: The annual cleanup weeks has given our county enough information that they know when where and how that helps educate residents consistently not to dump illegally.

ENFORCEMENT The county has a workforce that cites and picks up litter. Another work force that clean up bags and dump sites. The report to county Judge Exec office and a decision has to be made as to action regarding Law Enforcement.

SITING: All dumps are checked at the end of each quarter. The work force road department. Transfer Station and Sheriffs Department take clean up action.

SW Coordinator Donna Fechter

Full-time

Department.

ANTI-LITTERING: Several newspaper articles highlighting the success of litter cleanups and how to prevent the litter problem.

ENFORCEMENT: Newspaper and Radio PSAs stating the punishment for illegal dumping and littering.

SITING: None reported.

**Boyle County Education
Community Agencies:**

Conservation Services:

Junction City Elementary – 53 Students – 4 Hours

Woodlawn Elementary – 120 Students – 5 Hours

Girl Scout Troop – 50 Students – 2 Hours

UK Extension Agency:

8 Classes – 39 Students

Boyle County Solid Waste Department:

Spring 2004 – Hogsett Elementary 4th and 5th Grade, 1 hour, each classroom 40 students. Activities – “Trash Bashing” (reduce, reuse, and recycle); “Don’t Use All Up” (water conservation)

Junction City After School Program – 25 Students and 2 Hours (each session) on October 6th, October 20th, and November 10th

Danville Housing Authority After School Program – 15 Students and 2 Hours (each session) on September 29th, October 13th, and November 10th

Educational Advertising for Solid Waste and Recycling in local Newspaper

Radio Advertising for Litter Abatement and Recycling on local Radio Stations

Had signs posted at all (that would allow) fast food and gas station locations anti-littering information (signs made up by PRIDE)

Local Radio and Newspaper Advertising on Paint Disposal

New Resident Welcome Wagon litterbag filled with recycling and solid waste education, paint hardening crystals, recycled pencils, and other environmentally friendly items

Donated Recycling Containers to all Danville-Boyle County Schools

Danville-Boyle County Recycle Center:

April – Jenny Rodgers, 46 Students, 4 Adults, 1 Hour

May – Woodlawn Elementary – 26 Students, 4 Adults, 1 Hour

September – Kentucky School for the Deaf – 20 Students,

3 Adults, 1 Hour

November – Center College, 25 Students, 2.5 Hours

Jenny Rodgers, 46 Students, 4 Adults, 1 Hour

Educational Activity:

COLLECTION: In the fall, the City of Hopkinsville Sanitation Department ceases the collection of bulky trash items such as white goods and furniture in order to convert all of its trucks for the leaf and limb pickup season. The mayor held a press conference, which was covered by all the local media (TV, radio, and print) to notify all citizens in advance that the City would cease Trash pickup on November 1st and would not resume until January 2, 2004.

DISPOSAL: None reported.

RECYCLING/REDUCTION: None reported.

ANTI-LITTERING: None reported.

ANTI-DUMPING: None reported.

ENFORCEMENT: The Hopkinsville-Christian County Planning Commission assumed the enforcement duties of Chapter 93 of the Hopkinsville Code or Ordinances previously conducted by PRIDE, Inc. In addition, the Solid Waste Enforcement Officer enforces the Christian County Ordinance 91-2. The HCCPC and the Solid Waste Enforcement Officer write letters to property owners who are found to be in violation of the Solid Waste Ordinances educating them on the correct practices with regards to solid waste in the City of Hopkinsville and Christian County.

SITING: None reported.

Educational Activity:

COLLECTION: Extension service, homemakers clubs, 4H clubs, Edmonson County Fiscal Court members monitor roads in each district and the county road dep picks up roadsides.

DISPOSAL: None reported

RECYCLING/REDUCTION: We held a white goods disposal campaign in March and also in November. This generates about 50 ton each year.

ANTI-LITTERING: Demonstrated the effects of continued littering and how it turns into large dumps a little at a time. Removed a large road side dump. Middle School and 4H students picked up garbage and observed the cleanup.

ANTI-DUMPING: None reported

ENFORCEMENT We follow up all reports of littering and contact people if any names and addresses are present. Legal action is taken if guilty party doesn't agree to terms laid out by the County rep.

SITING: None reported.

COLLECTION: The Div. of Solid Waste sent out two newsletters with information on proper setout procedures for waste, yard waste, recyclables, disposal option enforcement issues, and special cleanup activities. Solid Waste personnel host a recurring government television show "At Your Service" addressing collection recycling, disposal, littering, illegal dumping, composting, enforcement and special cleanup activities and participated in other public access and local network news reports to highlight solid waste activities.

The Division produced a commercial campaign on proper setout procedures on collection and hosted a booth at the Home & Garden show held at Heritage Hall. Information was given out on collection procedures; yard waste collection, home composting, enforcement issues, disposal options and the Rosie recycling program. The Office of Public Information sent out several press releases on holiday collection schedules.

2004 County Annual Report Summary

The Division of Solid Waste participated in the Lexmark Earth Week Environmental Fair and maintains a comprehensive website and provides responses to citizen questions thru LexCall, a citizen information and service call center. The call center received 62,432 requests for the calendar year.

Universal Waste Collection

LFUCG was host to the Conference of Mayor's Municipal Solid Waste Association October 20 - 22, 2004.

DISPOSAL: The Div. of Solid Waste included in the two newsletters proper disposal options and the television show "At Your Service" also addresses the issue of disposal. "At Your Service" segments were also devoted to the proper disposal of Household Hazardous Waste, disposal issues relating to storm water, disposal issues relating to sanitary sewers and the many disposal sites in Fayette County. Solid Waste staff also participated in other public access and local network news reports to highlight solid waste activities.

The Division of Solid Waste maintains a comprehensive website that provides information on all Solid Waste services and provided a solid waste information booth at Fox Fest and Roots and Heritage Festival. The booths provided information on proper disposal.

RECYCLING/REDUCTION: The Division of Solid Waste sent out two newsletters with information on proper setout procedures for yard waste and recyclables.

Recycling presentations were given at the following locations:

Crawford Elementary and James Lane Allen Elementary
Deep Springs School and the Carnegie Center
Crestwood Christian church Cub Scout Troop
Conference of Mayor's Municipal Solid Waste Association

Recycling Center Tours – Cub Scout Pack 279, Transylvania Environment Club, Lexington School, Southland Center and SARA.

A variety of press releases were issued on special collection programs and pickup schedules. "At Your Service" had segments addressing recycling and composting. Solid Waste staff also participated in other public access and local network news reports that also addressed recycling and composting. A series of radio and TV commercials were produced and aired on local stations promoting the Lenny yard waste program and the Rosie recycling program.

The Division of Solid Waste sponsored a booth at the Lexington Home and Garden Show with a focus on yard waste management and home composting. The Division also provided a solid waste information booths at Fox Fest and at the Roots and Heritage Festival. The booths provided information on recycling, composting, and collection procedures.

OPEN DUMPING AND LITTERING: The Division of Solid Waste sent out two newsletters with information on special cleanup activities.

An "At Your Service" segment was specifically devoted to illegal dumping and littering. The segment visited an illegal dumpsite and provided information on proper disposal methods.

Solid Waste staff also participated in other public access and local network news reports to highlight solid waste activities.

The Division of Solid Waste provided a solid waste information booth at Fox Fest. The booth provided information on anti-littering and anti-dumping.

ENFORCEMENT: The Division of Solid Waste sent out two newsletters with information on enforcement issues.

An "At Your Service" segment was specifically devoted to illegal dumping, littering and enforcement. Another segment was devoted to Herbie (roll cart) regulations and enforcement issues.

The Division of Solid Waste provided solid waste information booths at Fox Fest and at the Roots and Heritage Festival that also addressed enforcement issues.

Enforcement commercial aired on various media outlets outlining proper disposal methods.

Educational Activity:

COLLECTION: Ads appear in the local newspapers providing information on collection service in Fulton County.

DISPOSAL: New disposal facilities are not planned in Fulton County. The disposal facilities have given assurance that capacity exists to provide disposal in the foreseeable future.

RECYCLING/REDUCTION: Annual school seminars encourage recycling and reduction as part of the curriculum. Similar seminars are held through extension service and conservation district and the local groups as requested.

ANTI-LITTERING: The Fulton County Litter Cleanup program has continued in 2004. City streets are cleaned on a continuous basis. All county roads were cleaned twice during 2004, through a community service program initiated by the District and Circuit Courts.

ANTI-DUMPING: Fulton County is on schedule with cleanup of dumpsites and reoccurrence and new dumps are greatly reduced from the past.

ENFORCEMENT: Enforcement of local ordinances and surveillance of the past sites have reduced the number of new dumps and reoccurrence at past sites. Citations are issued when needed.

SITING: Given the size and geographic location of Fulton County and the lack of need for final disposal capacity, it is unlikely that detailed solid waste facility siting criteria will be needed in the near future.

Educational Activity:

COLLECTION: Free dumpsters are located at the county garage on the first Saturday of each month. The Gallatin County Fiscal Court provided a free service for picking up bulky items from residents who had no means of removing such items.

DISPOSAL: None reported.

RECYCLING/REDUCTION: Information regarding solid waste issues was provided in the Gallatin County School System, the Gallatin County Public Library, and at the Gallatin County Fair.

ANTI-LITTERING: Individuals and civic organizations are encouraged to participate in community litter cleanups and Adopt-A-Highway. The County advertises and supports annual cleanups in Warsaw, Sparta, and Glencoe.

ANTI-DUMPING: Warning signs are posted in areas with litter and dumping problems.

ENFORCEMENT: Citizens are made aware of the penalties involved with illegal dumping. The local law enforcement community is active in enforcing litter laws and informing the public about the consequences of violations.

SITING: None reported.

GARRARD
Continued

ANTI DUMPING: Publicity generated as the new ordinance was under consideration educated the public that illegal dumping is a problem and several people provided positive input.

ENFORCEMENT: New Solid Waste Ordinance clearly defines illegal dumping and sets penalties for violators. For the first time warning letters (32) were sent out and summons (14) were issued for illegal dumps and junk accumulations. These actions resulted in weekly letters to the editor, packed monthly meetings of fiscal court and drew significant attendance at the monthly solid waste meetings. All of these activities were well reported in the local newspaper.

SITING: Since a new siting ordinance was enacted the public hearings and meetings received much coverage by Lancaster and Danville newspapers.

Educational Activity:

COLLECTION: County utilizes brochures, newspaper articles, and presentations to schools, 109 Board meetings, and various civic groups to encourage and educate the public concerning the mandatory collection ordinance. Created an amnesty program to increase participation in collection. Launched a website with links to the SW department. Direct visits to non-participants done by the SWC.

DISPOSAL: Free disposal for residents is publicized through articles and the website.

RECYCLING/REDUCTION: Presentations to schools with a focus on recycling. Community service workers are required to recycle. Advertised recycling opportunities provided by Eppersons. Advertised appliance recycling and freon recycling.

ANTI-LITTERING: Participation in litter cleanup events encouraged by newspaper articles. Groups write articles after they conduct cleanups. Litter bags, coloring books, and brochures handed out discouraging littering. Articles encouraging increased fines for littering, honoring student winners of anti-littering road signs, encouraging spring cleanups, and requesting volunteers for cleanup events published.

ANTI-DUMPING: Articles written discouraging dumping. Free disposal at landfill advertised.

ENFORCEMENT: Active dumping sites are monitored. Mandatory collection enforced. Editorials required after negotiated agreements concerning violations of SW ordinances.

SITING: Questions on siting from individuals answered on a case by case basis.

COLLECTION: Published public notice of required solid waste collection. Published list of permitted haulers for Greenup County.

DISPOSAL: Published advertisements about the new drop-off facility for white goods, bulky items, tires, and batteries located behind the Solid Waste Department.

RECYCLING/REDUCTION: Promoted the new drop-off facility located at the Solid Waste Department. A school program entitled "The Magic of Recycling" was offered by Timothy Wink to promote recycling. The Solid Waste Coordinator began a pilot program to collect recyclables at Argillite Elementary.

ANTI-LITTERING: Promoted the "Keep Greenup County Clean" program at the Greenup County Fair and Old Fashion Days. Placed litter receptacles throughout the county.

ANTI-DUMPING: Publish dump cleanups in local paper. Advertise phone numbers to report illegal dumping.

ENFORCEMENT: The county publishes enforcement ordinances pertaining to solid waste.

SITING: Published information on the new siting ordinance #106.

**Department for Environmental Protection
Division of Waste Management
2004 County Annual Report Summary**

SW Coordinator Robert L. Hall Full-time

COLLECTION: Articles in local paper encouraging use of garbage service. Handouts on recycling and free service day at landfill. Provide collection information on "Earth Day" program.

DISPOSAL: The County owns a landfill and has mandatory garbage service. Four (4) free service days are provided and county/city residents are encouraged to use.

RECYCLING/REDUCTION: Hardin County Agricultural Extension Service continues to offer a "Rinse and Return" program for pesticide containers. Several school systems encourage and participate in recycling programs. A list of local recyclers is available.

ANTI-LITTERING: School systems have active, ongoing programs to show the need not to litter. Newspaper articles are published locally to make people aware of the cost to clean.

ANTI-DUMPING: The County has a series of surveillance cameras to detect illegal dumping activities. Violators will be prosecuted.

ENFORCEMENT: Notice of violations will be issued to individuals or parties not in compliance with the county property maintenance ordinance. Legal action will be handled through District Court.

SITING: Provide information on siting solid waste uses through the Hardin County Development Guidance System.

Educational Activity:

COLLECTION: The Hart county solid waste service communicated with the public through the newspaper and radio concerning changes in collection, regulation concerning collection, fees for collection. The coordinator reported monthly to the Fiscal Court and the 109 Board and the court reports were published in the newspaper.

DISPOSAL: The coordinator publicized special collections like the large item drop-off twice a year. A brochure listing services available was updated and distributed. The service donated serves to dump cleanups.

RECYCLING/REDUCTION: The coordinator opened the local newspaper plant to the public on the last Saturday of each month for recycling all paper products and this was published in the newspaper each month. Solid Waste and the Hart County Chamber o Commerce coordinated a Recycle America Day in November when recyclables were taken in Munfordville and Horse Cave. Recycling displays were also set up in store windows in Munfordville and Horse Cave.

ANTI-LITTERING: The coordinator organized the Commonwealth Cleanup locally with several groups participating and this was publicized in the local newspaper

ANTI-DUMPING: Cleanup efforts of local dumps were published in the local newspaper. The coordinator applied for and received a grant from the Conservation District to clean a major dump in the county.

ENFORCEMENT The coordinator provided names from garbage illegally dumped to the County Attorney and citation were issued. The coordinator also responded to complaints about garbage disposal by personally visiting offenders.

SITING: The coordinator provided the County Attorney with a copy of the siting ordinance for his opinion on any changes that needed to be made. No changes were needed.

COLLECTION: Newspaper articles, radio spots, commercials, and public meetings featured the changes in the 30 year old green box collection system and provided information regarding collection services. Trash vouchers were created for residents to purchase and use at the Henderson City-County Transfer Station. Publicity for the vouchers was published in the newspaper and advertised on the radio and local news station.

DISPOSAL: A website and brochure offers information on the proper disposal of solid waste and household hazardous waste.

RECYCLING/REDUCTION: Henderson City and County schools continued an extensive school recycling program that provides collection for plastics, newspaper aluminum cans, steel cans, magazines and office paper. Brochures and a website offer information on drop-off locations, hours of operation, and phone

ANTI-LITTERING: County Attorney with business leader of the County donated litter bags to be handed out at all Convenience Centers.

ANTI-DUMPING: Replaced no dumping signs. Placed new signs along reoccurring dumpsites.

ENFORCEMENT: Worked 12 Public Nuisance cases. Property owners cleared violations of county ordinance. Worked 11 illegal open dumping cases that were cleaned up by the violators and cleaned up another site to avoid a citation. The county cleaned up 8 sites. The detention center with inmate labor cleaned up. Violator are given the options to cleanup he dumpsite and one other. Work at one of our convenience centers for ten hours or take a citation. Most violators take the cleanup of the illegal open dumpsites.

SITING: No new siting ordinance has been developed this year.

management, including waste disposal, collection and recycling contracts.

COLLECTION:

Changed over 20,000 residents' day of collection for garbage, yard waste and recycling to increase efficiency and reduce costs – see attached sample letter sent to each affected household. New collection schedule began July 19, 2004.

Advised Courier-Journal prior to every holiday to clarify collection schedules.

Produced the 2005 Project Pickup quarterly junk schedule and mailed appropriate schedule to some 93,000 households in mid November 2004.

Opened two sites for the collection of storm debris after severe storms occurred in July of 2004. Over 50,000 cubic yards of limbs and branches were collected and composted or provided to residents for firewood at no charge.

DISPOSAL:

Rebid solid waste disposal contracts by geographic areas and achieved significant cost savings in both solid waste disposal and yard waste disposal.

Provided two junk drop-off days in April and October of 2004 at no charge to residents. The total tonnage collected for both events was 821. Of that total, 97 ton were recycled. While this event is open to all Louisville Metro residents, it is designed primarily for the Suburban Areas who do not have junk pickup provided on a regular basis.

RECYCLING:

In partnership with Brightside, began the "School Recycling Program" which provides 18 gallon recycling bins to private and parochial schools that do not have formal recycling programs. Materials collected are transported by the school to a drop-off or staffed recycling location.

Attended neighborhood and organization meetings to promote recycling. Examples included a "Town Meeting" comprised of two council districts, a neighborhood meeting facilitated by the area Police Substation and the Louisville Central Area Downtown Residents Association meeting. Boy Scout troops also toured staffed recycling centers by request.

Revised "Recycling Guidelines" brochure March 2004, which provides drop-off, staffed, and household hazardous materials recycling.

WAVE 3 TV ran a story about our curbside recycling program March 1, 2004, which reported "a successful curbside recycling program" and dispelled the myth that materials are transported to the landfill.

The Courier-Journal ran an article about recycling opportunities in Louisville Metro sometime between March and May 2004.

Increased business participation in the downtown office paper recycling program and began forwarding revenue checks in April 2004 (\$4,324.70) to Brightside for the purchase of trees in the Louisville Metro area.

Established two drop-off sites for the collection of telephone books from residents and businesses in April and October of 2004. Over 9 tons of phone books were recycled.

Participated in Earth Day at the Zoo and the University of Louisville's Earth Day: Provided information on how to recycle, locations available, types of materials, demonstrations, and giveaways.

CyberCycle - year-round electronics recycling program began June 23, 2004. Thru December 31, 2004, 123 tons of electronic materials have been shipped for recycling. Residents may dispose of items at no charge – businesses and non-profits are charged .20/lb and .10/lb respectively. An article was published in the Louisville Central Area's monthly publication called "Upside Downtown" in July of 2004 about the program.

On June 29, 2004, Mayor Jerry Abramson signed an Executive Order mandating that all Metro government offices and employees participate in the Office Paper Recycling Program, purchase recycled office copy paper, use double-sided copying whenever possible, recycle toner and inkjet cartridges, and print materials such as brochures, booklets, pamphlets, etc, on recycled paper.

Provided vendors and residents with the opportunity to recycle Christmas trees at 4 drop-off locations – 1,632 trees were collected.

Revised and updated information packet and video for Green Inc. business waste reduction and recycling program.

Educational Activity:

COLLECTION: Apple Valley Sanitation prepared a slide presentation to present to elementary students, in cooperation with the Solid Waste Coordinator, that relates to various areas of solid waste. Tours of Apple Valley Sanitation are available upon request to any class or school group. The Solid Waste Coordinator published newspaper articles in cooperation with "The Paintsville Herald" relating to solid waste management. Public service announcements by WSIP (local radio) offer information about solid waste collection. The Solid Waste Coordinator contacted each elementary school in Johnson County and established an agreement to be available for classroom presentations.

DISPOSAL: Presentations offered to school children discuss various solid waste issues including disposal. Newspaper articles, public service announcements, and school presentations offer information on solid waste disposal.

RECYCLING/REDUCTION: School presentations, newspaper articles, public service announcements, and school presentations offer information on recycling an reduction.

ANTI-LITTERING: The Solid Waste Coordinator has prepared a window display with solid waste literature and automobile litter bags available to the public upon request.

ANTI-DUMPING: The Johnson County Fiscal Court purchased signs that state "No Dumping-Video Camera Enforced" to be placed at illegal dumps to warn the residents of Johnson County that they may be monitored. Anti-dumping is promoted at the Johnson County Conservation Field Day.

ENFORCEMENT: Newspaper articles, school visits, and public service announcements offer information on the enforcement of solid waste ordinances.

SITING: None reported.

Educational Activity:

COLLECTION: Newspaper, Radio and Saving Appalachian Resources. Used the local newspaper and radio station to promote the use of the Knott County Transfer Station for all their bulk material. Saving Appalachian Resources taught litter control, recycling, and other solid waste issues in all of the eight schools Knott County. They reached K-4 in all eight schools and K-5 - K-6 in Cordia and Beckham Combs.

DISPOSAL: Newspaper and Radio. Used the newspaper and radio to promote the free use of the Knott County Transfer Station to all residents of Knott County for the disposal of all bulk material except construction debris. Also promote special activities such as Commonwealth Cleanup Week and the PRIDE Cleanup Weeks, and the white goods buy back.

RECYCLING/REDUCTION: Saving Appalachian Resources and Radio and Newspaper. Recycling taught and promoted in all on Knott Counties eight schools. Newspaper and radio to promote recycling of all metal products at the Knott County Transfer Station.

ANTI-LITTERING: Newspaper, Radio and Saving Appalachian Resources. Used the above resources to recruit volunteers for the Commonwealth Cleanup, the PRIDE Cleanup and the PRIDE Roadside Cleanup. Used the newspaper to report cleanup activities and results of the cleanups. Saving Appalachian Resources teach anti-littering programs to all eight schools in Knott County.

ANTI-DUMPING: Newspaper, Radio and Saving Appalachian Resources. Used the newspaper and radio to promote the "SOMEONE'S WATCHING YOU" program. Put up "No Dumping" signs and monitored the sites that have been cleaned.

ENFORCEMENT: Used the newspaper and radio to report the number of citations and summons that were being issued.

COLLECTION: Newspaper article explaining how the Blue Bag recycling and large item pick-up program is available to customers. Article also notes what items are not recyclable and gives contact numbers. Active program to force homeowners to pay their garbage bills began in January. Scary letters are sent to all customers that owe over \$200. Customers are given the opportunity to take part in an amnesty program that forgives the interest they owe and allow them to sta a payment program to catch up; they also agree to keep their monthly bill paid in full. Names, addresses and amounts owed are published in the paper. One cas is taken to District Court for action. County starts program to attach overdue garbage bill to customers yearly tax bill. Amnesty Program is ended on December 31, 2004.													10
DISPOSAL: Newspaper articles seeking volunteers to take part in River Sweep program to remove items from stream and streamside. Newspaper ad informing public of large item pick-up, tire disposal, operating times of and contact number of recycling center and transfer station. Creation of a Transfer Station Committee to address concerns and issues that citizens have with the Transfer Station. List of concerns and solutions/actions were implemented. an education program that taught children proper disposal and recycling of solid waste. All schools in the county were visited and lessons were structured for different age groups.

RECYCLING/REDUCTION: Newspaper articles and PSA's promoting an appliance buy-back; newspaper article and picture showing pile of 1,965 appliances that were collected as part of the buy-back. Newspaper articles and PSA's promoting a Tire Amnesty program; article and pictures of tire pile in local paper showing proper disposal methods. Newspaper article and picture of recycling container county built for residents of Jenkins area, as a way to prevent the land filling of recyclables. Newspaper ad informing public of large item pick-up, tire disposal, operating times of and contact numbers of recycling center and transfer station. SAR provided education program that taught children proper disposal and recycling of solid waste. All schools in the county were visited and lessons were structured for different age groups.

ANTI-LITTERING: Newspaper article about Litter Abatement program and advertisements for volunteer groups to clean up roadside litter, as a way to raise mone for their programs. SAR provided an education program that taught children proper disposal and recycling of solid waste. All schools in the county were visited and lessons were structured for different age groups.

ANTI-DUMPING: Several month campaign to adopt a nuisance ordinance resulted in numerous articles and pictures in the newspapers. Hours of discussion by citizens and elected officials at four fiscal court meetings, resulted in education of the public. SAR provided an education program that taught children proper disposal and recycling of solid waste. All schools in the county were visited and lessons were structured for different age groups.

Educational Activity:

Special Events:

COLLECTION: None reported.

DISPOSAL: None reported.

RECYCLING/REDUCTION: Livingston county schools have a trash sculpture contest each year to help make students aware of creative uses for trash items. The UK Cooperative Extension Office also conducted a recycling program with students and homemakers in Livingston county. The Cooperative Extension Office prepared a recycling brochure explaining what items are accepted for recycling in Livingston County which included a copy of times and locations of the recycle trailer. These brochures are available to the public, free of charge.

ANTI-LITTERING: Several organizations participate in the Adopt-a-road program. State highways are cleaned as well as smaller county roads. Livingston county jail inmates are also used to pick up litter along roadways. The litter abatement grant provides funding for extra student workers during the summer months to help control litter. The Livingston County Litter Abatement Program recently adopted 45.3 miles of State Highways under the adopt-a-road program.

ANTI-DUMPING: In an effort to control illegal dumping by residents Livingston County sponsors two county wide cleanups. The spring cleanup was held March 25, 26, & 27. The fall cleanup was held October 14, 15, and 16. During these cleanup dates dumpsters were placed in communities throughout the county for residents to dispose of trash, free of charge. Residents are also allowed to dispose of trash at the convenience center free of charge during these dates.

Livingston County residents may call the judge executive office to arrange for large items (washers, dryers, stoves, refrigerators, water heaters, furniture items, etc.) to be picked up by the Livingston County Road Department Employees during the Spring and Fall Cleanup dates.

ENFORCEMENT When trash is found on the roadways, if an address can be found among the items, the individual is notified to clean up the litter. The Judge Executive, Sheriff and county attorney work together on enforcing this matter.

SITING: At present, Livingston County does not have formal procedures for siting solid waste management facilities. For the immediate future, the County will rely upon state guidelines, regulations and criteria for siting any needed solid waste facilities.

Educational Activity:

COLLECTION: Wrote newspaper articles on cleanup, recycling, household hazardous waste and tires. Richmond Register-EKU Progress. Planned and held Kentucky River Sweep at Ft. Boonesboro State Resort Park two times! With elected officials and Clark County-Fed 255 people at cookout. (2) five minute news spots live with Channel 27 and 36 Lexington boat rides- newspaper coverage Lexington, Winchester, and Richmond. Fall Haul Household Hazardous Waste Collection, October (1) Berea (1) Richmond. Received 1-week daily radio and 2 newspapers coverage for event.

DISPOSAL: HHW Committee for Bluegrass PRIDE. Conducted (4) 4-5th grade science classes at Mayfield Elementary School on recycling, garbage control and litter (90 students). Had booth at Madison County Farm Field Day with educational literature on Hazardous Waste, Tires and Dump Cleanup assistance. Gave televised reports to Fiscal Court (monthly), Richmond Commission and Berea Council (twice each). Had 48 Articles in Newspapers (3) Counties on Events (see disk).

RECYCLING/REDUCTION: Planned and conducted Phone Book Recycling at Elementary Schools. Recycling v/s garbage lessons, newspaper articles and EKU Radio. Held all Day table at Richmond Reading is Fun Day at Irvine McDowell Park with educational exhibition on Recycling and products, materials handouts. Participated in meeting with League of Women Voters in Madison County Library dealing with Solid Waste and Recycling. Did TV interview for EKU TV program.

Special Events:

Fall Haul Household Hazardous Waste Collection
Kentucky River Sweep
Reading is Fun
Rinse and Return
Scrap Metal Roundup

COLLECTION: County has advertised within newspaper several times the requirements to participate in collection since passage of mandatory ordinance and has advised numerous non-participants to sign up during one on one meetings. Five full days were spent going to local schools and part of the lesson plan was appropriate collection practices and the current ordinance.

DISPOSAL: Several classes from local schools, Pendleton County, and Robertson county schools toured the landfill, and disposal was discussed during classroom visits.

RECYCLING/REDUCTION: Staff visited many classrooms. Recycling and reduction was a component of the lesson plan. Tours of the recycling center were given

Educational Activity:

COLLECTION: Through a newspaper article, we informed the public that by working through our jailer and inmates, we were able to pick up trash along side various state roads thus reducing cost to the county.

DISPOSAL: We reduced the fees for bag garbage and also tires at the transfer station. By making our fees less, we hope to encourage people to bring them to us instead of throwing them out on roads and streams.

RECYCLING/REDUCTION: Advertise weekly in McLean County News the location of recycling truck. Extension Council/4-H have been holding classes to teach environmentally friendly practices within their communities: composting leaves instead of burning; practice recycling, reducing garbage and reusing items. McLean County has plans to open a dump for trees, leaves, grass, etc....

ANTI-LITTERING: By public notice in McLean County News, we advertised the cost to clean up a dump at Lost Bridge. The permit haulers are now required to tarp their trucks to prevent their trash from blowing out.

ANTI-DUMPING: We have had a camera at least 2 times at site #118418. The first time a person caught dumping had to pick up one ton of trash at selected locations and bring it to our transfer station. I do not know if anyone was caught the 2nd time.

ENFORCEMENT: I sent out numerous letters to persons whose names were found in garbage along side various county roads. Their punishment was to pick up garbage on county roads.

SITING: None reported.

COLLECTION: Radio and Newspaper PSA's on collection activities including Spring and Fall Cleanups, Waste Tire Amnesty, River Sweep, Special Cleanup Activities, Herrington Lake Conservation League Convenience and Recycling Center.

DISPOSAL: Promoted an essay contest for every 4th grade class in the county on anti-littering and disposal. Distributed PRIDE's paint crystals. Distributed brochures on disposal including the management and disposal of hazardous waste.

RECYCLING/REDUCTION: Made presentations to all 5th grade students in the county. Participated in earth day activities at Anderson-Dean Park. Conducted 11 presentations to schools, Civic groups. Worked with factories on recycling and waste reduction.

ANTI-LITTERING: Posted anti-littering signs at gas pumps and stations. Distributed placemats at restaurants. Used PSA's on the radio and newspaper on anti-littering. Distributed anti-littering brochures at the recycling center.

ANTI-DUMPING: Used barriers and posted anti-dumping signs to prevent dumping. Used the local media to advise the local citizens on the cost of dumping and the effects on tourism.

ENFORCEMENT: Concentrated efforts during CCW and PRIDE cleanup weeks.

SITING: Nothing Reported.

Educational Activity:

COLLECTION: The county's five convenience centers are the best education for the public to understand the proper way we collect and dispose of solid wastes while seeing the importance of recycling.

DISPOSAL: County Judge Executive and Solid Waste Coordinator speak at various civic group meetings covering all aspects of solid waste issues on proper disposal. Extension Office works with all county schools on the importance of proper disposal.

RECYCLING/REDUCTION: Homemaker's Club and the high school JROTC teams spend a great deal of time on the issues of waste reduction and recycling.

ANTI-LITTERING: High school JROTC and various civic groups annually sponsor a campaign targeting highway litter. Several have adopt-a-spot areas on the state roads in Muhlenberg.

ANTI-DUMPING: Commonwealth cleanup week is our best education for illegal dumps and highway litter with many school groups, civic groups, and private citizens participating.

ENFORCEMENT: None reported.

Litterbug Coloring Calendar Contest Winner Webpage

Email: Pride Posse Meeting and Litterbug Spotter Reception (coming up in Jan/Feb 2005)

Thank you email from Yealey Elementary concerning Enquirer Article about their recycling program 12/30

Litter Abatement Campaign - Ad: "When You Litter, You Say Something About Yourself" published in 2004-2005 Boone County Rebels program

Designed new webpage for recycling old CDs

Christmas Treecycling – Developed web page and sent Public Service Announcement (target for Jan); sent flyer to tree dealers as well as cities, Conservation District, etc.

Greeting Card Recycling – Developed web page and sent public service announcement

Developed "Trim Your Holiday Waste-line" for Webpage

Additional Education and Outreach performed by Campbell County (Documentation found in Appendix III):

Brochure for Campbell County Environmental Education Center

Programs at the Environmental Learning Center at A..J. Park in partnership with the Campbell County Cooperative Extension Office of the University of Kentucky

01/03/04:Bellevue Grandview Elementary 4th grade, water cycle - 65 students

01/29/04:Fourth Street Elementary, 4th grades – 77 students

02/06/04:Environmental Learning Center – 18 students

03/05/04:NKU Elementary Science Day, 4th grades – 86 students

03/06/04:Cub Scout Den #75, Pollution & Recycling – 16 scouts

04/19/04:Reiley Elementary School, Science Day – 300 students

04/24/04:Campbell County Road Bard – Farm Oil Recycling – 35 participants

04/29/04:St. Therese School Earth Day – Recycling – 104 students

05/11/04:St. Catherine Earth Day – Solid Waste & Recycling – 225 students

10/05/04:Environmental Learning Center – Home School Group – 23 students

12/09/04:Newport Fourth Street Elementary – Solid Waste Education – 52 students

12/16/04:Grandview Elementary School – Solid Waste Education – 58 students

12/17/04:NKSWMA Dessert Reception for Educators – 23 participants

Fall:The Environmental Learning Center provided solid waste education through 4-H day camp that involved ____ students in ____ classes from ____ different schools. This program was geared to provide core requirements that 4th. grade students would be tested on as part of the daily living segments of the Kentucky Education Reform Act.

Additional Education and Outreach performed by Sanitation District No. 1 of Northern Kentucky – documentation available upon request

Public Service Park - Brochure

Informational Bill Inserts: "HELP KEEP OUR LAKES, CREEKS, AND RIVERS CLEAN!" insert sent to all customers

Newsletter: News Drops highlights District projects and programs, was distributed to city and regional leaders Spring/Summer 2004.

Cable Program: The District's general manager, Jeff Eger and storm water director, John Lyons appeared on two episodes of "Education Issues" to promote Public Service Park, the District's national award winning storm water curriculum and highlights of the regional storm water management program. The program aired four times daily for a month at a time.

Insight Media announcements were aired warning about the use of public waterways immediately following a rain event. This announcement aired for six month from January-June on ICN6's "On the Record" program.

Web page: www.sd1.org created specifically for the Storm Water Management Program.

Published a storm water related article in each issue of What's Happening, a region-wide community magazine distributed to each home in Boone County (three times per year), Campbell County (twice per year), and Kenton County (three times per year).

Began a Mother Nature Campaign to educate Northern Kentucky residents on pollution control and prevention in January 2005. The campaign will include bus sign advertisements and magnetic bumper stickers, posters, and magnets featuring the ad will be distributed to customers, schools and city buildings.

Operates Storm Water Help Line to answer customer questions regarding the new storm water program. A "frequently asked" question sheet was created for internal use so that staff could efficiently and effectively provide answers to commonly asked questions.

Field trips: In 2005, the District is scheduled to give tours to over 3,000 students at the outdoor environmental education center, Public Service Park. Students learn first hand about storm water management and water quality issues.

Provided school presentations that focus on water quality issues using interactive teaching models, such as an enviroscape and watershed kits The programs have reached thousands of students in 2004.

Received national recognition for storm water curriculum by the Association of Metropolitan Sewerage Agencies (AMSA). AMSA presented the District with the 2003 National Environmental Achievement Award in Public Information and Education at their annual meeting in Washington, D.C. In addition, The Kentucky Post and Community Recorder newspapers featured the District and the award in a news article.

Awarded schools that go above and beyond teaching the District's storm water curriculum. The school then receives a visit from Splash McClean, the District's fish mascot. The school is awarded a certificate and is featured on the District's website. At the end of the school year, a panel of judges chooses a winner

among the top ten projects. The winner receives an award banner

Offered free resources to teachers requesting lessons, materials, interactive models that will enrich their water quality lessons.

Funded ten sets of watershed stream crossing signs as part of a regional watershed education program sponsored by the Mill Creek Watershed Council and the

Boone, Campbell, and Kenton Counties - cont'd

Banklick Creek Watershed Council.

Published an article titled, "The Regional Storm Water Management Program and Agriculture: Who's Included?" in Landscapes, a publication sent to Boone, Campbell, and Kenton county residents.

Partnered with the Northern Kentucky Urban and Community Forestry Council to publish color mini-manual titled "Life on the Water's Edge – Living in Harmony with Your Backyard Stream." This publication provides contact information and additional resources for riparian landowners.

Committed to host a conference in May 2005 with the National Watershed Coalition. Participants will tour Public Service Park and learn about various best management practices.

Provided presentations to local community organizations regarding the regional storm water management program (see appendix).

Featured articles about the new Public Service Park in the Community Recorder, KY Post, Enquirer, Sunday Challenger, What's Happening, and various city newsletters.

Official opening of the SD1's Public Service Park, an outdoor environmental education center 9/11

Hosted Waterflic program for sixth grade students with lessons on water from various local agencies 9/13

Conducted telereasearch poll to measure changes in attitude concerning storm water; 600 telephone interviews with residents of Boone, Kenton and Campbell Counties, excluding the city of Florence.

Educational Activity:

COLLECTION: Hauling companies are asked to advertise in any way possible. All groups mentioned above inform the public in many ways.

DISPOSAL: Central KY Landfill, all hauling companies as well as all government agencies encourage the general public to properly dispose of their waste. The first Saturday of each month is a free disposal day to all Scott Counties.

RECYCLING/REDUCTION: Scott County, the school system, all cities, and all groups listed above participate in educating the public in recycling efforts.

ANTI-LITTERING: The Scott County Jailer provides litter pickup and through his efforts educates the public by his crew's visible action.

ANTI-DUMPING: cost-share program and free dump day monthly has educated citizens that proper disposal of waste is more cost effective as tax payers.

Uniontown Spring Cleanup

Educational Activity:

COLLECTION: Brochures, a website, and local advertisements provide information on collection services.

DISPOSAL: The Solid Waste Coordinator, Pauline Allen, conducted presentations in the local schools to educate students and staff about disposal options and recycling opportunities in Union County.

RECYCLING/REDUCTION: Union County and City Schools continued a highly successful recycling program. Brochures are distributed throughout the county to inform residents about recycling drop-off locations, hours of operation, and materials accepted. A website also offers information regarding how and where to recycle. Mrs. Allen conducted presentations in the schools to educate students and staff about recycling opportunities in Union County.

ANTI-LITTERING: Community cleanup events are publicized in the local newspapers and in the spring and fall. Radio programs also advertised community cleanup events.

**Department for Environmental Protection
Division of Waste Management
2004 County Annual Report Summary**

SW Coordinator Pauline Allen Full-time

ANTI-DUMPING: A website offers information on the hazards of illegal dumping and how to report violations. Pauline Allen, Solid Waste Coordinator, conducted several radio and television interviews to explain the hazards of illegal dumpsites and the consequences for those who violate county ordinances and state laws

ENFORCEMENT: A website, brochures, newspaper articles and radio spots explain the consequences of violating local solid waste ordinances.

SITING: None reported.

Educational Activity:

COLLECTION: Media Resources were used for educational information and advertising. News releases, interviews for stories on-air & print; advertising on radio and in newspaper. Door hangers or post-it notes distributed by franchisees to customers.

DISPOSAL: News releases and interviews were directed to general public to inform of mandatory waste pickup ordinance and illegal dumping penalties. Paper set out times and collection standards promoted.

RECYCLING/REDUCTION: Reduction, Reuse and Recycle components are included in all educational projects. News media used to promote coordinated programs, e.g. Waste Tire Amnesty. School visits, including Commonwealth Cleanup Week, Earth Week and as requested.

ANTI-LITTERING: Proper disposal of waste products are addressed in all educational projects. The public is advised of the cost of removing litter and illegal dumps and of consequences of improper waste disposal. Used news media to inform people of KRS 512.070 Criminal Littering.

ANTI-DUMPING: Worked with Code Enforcement Boards, law enforcement agencies and the Warren County Attorney's Office to issue warnings, notices and citations. Promoting the 1-888-NO-DUMPS, Crime Stoppers: 781-CLUE and local numbers to report dumps.

2004 County Annual Report Summary**

SW Coordinator George Ann Palmer Full-time

WASHINGTON
Continued

COLLECTION: New franchisee ran articles in local paper and purchased radio advertising when they took over on 7/1/04.

DISPOSAL:None reported.

RECYCLING/REDUCTION: County began program to "buyback" aluminum. Began work with city and St. Catherine to coordinate our recycling efforts as an experiment to see how much information is generated/publicized and made known to the general public when a program is initiated worked with Springfield Rotary Club to have a "Garbage for Sale" shown on local access Channel 6. The county's solid waste management office offered instruction and contact information as well as encouraged advertising but otherwise took a hands off approach. The Rotary Club, having members such as the school superintendent, St. Catherine College president and the vice president of one of the local banks, it was intended to be a much publicized event; however, it is found this method to be less successful than the "buyback" program. Started recycling program for crates and pallets. Also worked with BRRC to have recycled "skins" from local industry that manufactures car head and arm rest parts. Expanded recycling program to include pickup routes.

ANTI-LITTERING: Sponsored "Don't Be A Litterbug" campaign as well as "Why People Litter".

ANTI-DUMPING: Presented "Policy & Procedure" guidelines for private property dumpsite cleanup. As a result, newspaper printed article.

ENFORCEMENT: "Report A Litterer" program netted two reporters. One was rewarded a \$100 and the litterer was convicted and had to pay court costs and fines. One awaits court action.

SITING:None reported.

Educational Activity:

COLLECTION: Website and brochures offer information on collection services and drop-off facilities in Webster County.

DISPOSAL: Website offers information on all locations available to the public for recycling and solid waste disposal.

RECYCLING/REDUCTION: The Webster City and County schools continued a school recycling program. A website provides information on drop-off facilities, what is accepted for recycling, and how to prepare recyclables for drop-off. Recycling brochures are distributed throughout the community to advertise and promote recycling opportunities. Local newspapers also publicize recycling opportunities.

ANTI-LITTERING: Community cleanup events are advertised in the local news and on the radio. Flyers are distributed throughout the community to promote litter cleanups during Commonwealth Cleanup Week. Webster County promotes volunteers to participate in litter cleanups.

ANTI-DUMPING: Brochures from the Division of Air Quality were distributed to individual households which were caught illegally dumping or burning waste.

2004 County Annual Report Summary

SW Coordinator Pauline Allen Full-time

ENFORCEMENT: Articles were published in the Henderson Gleaner to inform the public of the Webster County no-burn ordinances and State regulations concerning open-burning. Pauline Allen, Recycling and Solid Waste Coordinator, conducted several radio and television interviews to explain to residents the environmental problems caused by illegal dumping and the legal consequences illegal dumpers face in Webster County. A website advertises the 1-888-No-Dumps hotline and offers information on reporting illegal dumpsites.

SITING: None reported.

Educational Activity:

COLLECTION: Local newspaper articles are published that provide information about solid waste management.

DISPOSAL: The WCRC publishes articles in the Woodford Sun, the local newspaper, as well as provides an abundant amount of information at dozens of events about the disposal of hazardous, and solid waste. Information sheets are also distributed to the local citizens on the operation and services of the solid waste program in Woodford county.

RECYCLING/REDUCTION: The WCRC includes recycling and solid waste reduction education in community tours and speeches for both civic and school groups. The Woodford Sun also uses PSA's to remind the general public to reduce waste and recycle.

Special Events:
